School District 509J

Code: **FF**

Adopted by Board: 08/12/2013

#### NAME, MASCOT AND COLORS SELECTION FOR NEW SCHOOL OR FACILITY

The School Board desires to open the process to suggestions by students, staff and community members who will first be associated with the new building for names, mascot and colors for a new school or facility.

#### NAMING PROCESS FOR A NEW BUILDING OR FACILITY

The Superintendent will form a committee of volunteers to include representation from the School Board, the new building staff, students and community members. The naming committee will seek input by means of a community forum, contest or survey. The committee will consider proposed names and select up to three names for consideration and recommend the name(s) to the School Board for a final decision.

#### SELECTION OF SCHOOL MASCOT AND SCHOOL COLORS

A new school building may form a mascot and color selection committee led by the new school's principal. The principal will create a committee to solicit mascots and colors from the staff, students, parents and community members being served by the school. The committee and principal will recommended up to three suggestions for the school mascot and colors to the Superintendent for review. The final recommendations will be presented to the School Board for final selection.
